#### ALMA DUFOUR'S CUP RACE.

RUNS THE TWO MILES IN 3:32 3-5, A NEW TRACK RECORD.

Extended for One Furlong Only-Hagan Is Suspended for Rough Riding in the Steeplechase.

New Orleans, La., February 9 .- City Park's offering this afternoon drew out a banner crowd-the best of the season. Besides the Heaslip Cup at two miles, the first of the important long distance races run here this winter, there were served as features a steeplechase over the full course; a race for two-year-olds and a sprint at six furlongs in which some of the fastest horses on the ground went to the post. Edward Corrigan started Alma Dufour in the stake race and she won in a canter after making most of the pace. The first half-mile the journey found all under a choking pull. Nicol then permitted Alma Dufour to go to the front and rate along at an even pace. She raced at top speed only for a furlong when rounding the turn into the homestretch for the second mile. She opened up a three lengths lead at this point and in the final quarter she was simply cantering.

Mollie Montrose, the undefeated Cesarion filly which has been beating the best of the two-yearolds here this winter scored her fourth victory in the third race. As in her previous races, she won in the first furlong, for when the barrier went up she was off like a flash and before they had gone a sixteenth was out in front with a three lengths lead. Notasulga, a good looker, ran in improved

form and is worth remembering.

The result of the steeplechase proved a surprise, the winner turning up in Henry A. Schroeder, which beat Arabo out a length. Going to the second jump. Sam Hoffheimer was carried into the wing by Aules and fell. The foul was deliberate and P. Hagan, who rode Aules, was suspended for the

The handicap, at three-quarters of a mile, fur nished one of the best contests of the afternoon, the finish being so close that it was impossible to tell which had won until the official placing was displayed. Orbicular got the decision, but his margin was only a nose from Lens.

Fantastic, the odds-on favorite, in the sixth race. just managed to get up in the last stride and beat Campaigner out a short head. The latter displayed much speed and set the pace all the way.

Jessie Lewisohn, who arrived from New York this morning, was a visitor at City Park. He will remain over until after the Mardi Gras. William secured a contract on W. Walsh, brother to J. J. Walsh.

#### HOLLOW IS LITTLE, BUT COURAGEOUS.

#### Explodes Shirley Rossmore's Boom-Courier Girl Another Winner for R. L. Thomas.

Hot Springs, Ark., February 9.-The weather was warm enough today to dispense with the steam heat and to open up the grandstand. There was a big crowd present, but there was nothing out of the ordinary in the racing, unless it was the defeat of five favorites, though this happens often enough in winter racing to be considered quite a a common The opening two-year-old race, with its sixteen starters, carried most interest. It was won by Courier Girl, from the stable of R. L. Thomas the Kentucky lumberman, who is making his return to the turf after an absence of nearly twenty years John Ireland, one of the well-remembered firm of Ireland Brothers, is doing the training. He has lost one of his old-time skill and judgment and may

be expected to stand well up in the winning list.

In the second race Hollow took the measure of Shirley Rossmore easily enough to prove that his victory when first out, was no fluke and to bring great disappointment to J. C. Milam and his fol-Shirley Rossmore can be put down as an exploded phenomenon. Hollow is a very small horse, but he has great speed and courage. He knows the game as young as he is

Jockey Englander rode Snow Ball and Cursus to victory and he handled them admirably.

P. J. Chinn, who was forced to destroy Salvisa had more bad luck today when King's Gem broke down. It is doubtful if he ever races again.

County Judge Sumpter and Sheriff Williams were among the visitors and they seemed to be enjoying themselves.

Incidentally liquid refreshment, previously denied, was to be had today.

#### NOT MORE THAN 120 DAYS, THEY SAY.

#### Expected That the Commission Will Cut Off About Two Months in Kentucky.

Lexington, Ky., February 9.—It is understood that the State Racing Commission has arrived at the conclusion that there should not be more than 120 days of racing in Kentucky this year. This means a reduction of fifty-six days as compared with last In 1906 the Kentucky season opened with a meeting of eight days at the local track. This was followed by twenty-four days at Churchill Downs. Then came the Latonia meeting of thirty-one days. originally scheduled, followed by an extension of The scene shifted back to Louisville. where Douglas Park had eighteen days and Churchill
Downs the same number, with the Kentucky State
Fair sandwiching in with six days, the season ending
with twenty-four days at Latonia, making a total

Friday over the Amis bill.

The bill introduced by Senator Gardner in the Missouri Legislature prohibiting the publication newspapers or in any other form of race entring the property of the publication in the property of the property of the publication in the publication of the publica

of 176 days. That the track owners will hold out for more than 120 days when the commission next Saturday to allot the dates is practically certain, but it is not believed that the commissioners will give over. Chairman Chinn in discussing situation last night said:

"It is not horse racing which has produced all or this agitation in other states and neither is it betting. It is the sentiment of the public against the methods under which the racetracks are conducted. All of the trouble that has come up in the west is the result of contention between a lot of cheap gamblers who do not care for turfmen nor breeders and have no interest in racing as a sport. That condition of affairs has passed in Kentucky, and in the future the racing of thoroughbreds will be controlled by the Racing Commission, and the sport is not conducted on a high plane the track will be closed, not by adverse legislation, but by the Racing Commission. The commission, too, will see to it that racing is not overdone in this It will ignore the American Turf Association state. and the Western Jockey Club and govern racing under the power it has by law."

Colonel E. F. Clay indorsed this opinion of Colonel Chinn, and is one of the strongest advocates on the commission for reduced racing dates: Ex-Mayor Charles Grainger, of Louisville, is another member of the commission that advocates limited racing. Messrs. Young and des Cognets have made no expression publicly.

#### VOLADAY TAKES OAKLAND FEATURE.

#### Makes the Cracks Look Cheap - Walter Miller Rides Four of the Winners.

Oakland, Cal., February 9.-Voladay, Walter Miller, won the Palace Hotel Handicap in canter. Cahill's patched up cripple made Nealon, Proper, Logistilla, Tony Faust and Temaceo look cart horses and ran the mile and an eighth in 1:541 wenderfully fast time for the condition of the track. Proper ran absolutely last. Five of the horses-Nealon, Temaceo, Rapid Water, Logistills and Tony Faust-were grouped as one entry, owing to Barney Schreiber's half ownership of Tony Faust which races in Hildreth's name, and Nealon, which races in Durnell's name.

W. Miller scored four victories, commencing with Creation in the introductory event and winding up with a marvelous bit of horsemanship on Vox Populi in the last. Magrane and Andrew Mack were his Miller was given a great ovation return to the scales after the finish of the sixth race. Avonalis was claimed by C. C. McCafferty out of the fifth race for \$1,325.

racing was enjoyed by one of the biggest crowds that has turned out this season. The at endance was estimated at 15,000.

#### W. H. CAREY WINS ASCOT HANDICAP.

#### Hardly an Effort for the Carman Horse Which Now Goes to Oakland.

Los Angeles, Cal., February 9 .- Probably the largest crowd that ever visited Ascot Park was present today and they had splendid sport. The infield was thrown open to the public, many viewing the races from carriages and automobiles.

The feature was the Ascot Handicap at one and one-quarter miles. W. H. Carev clearly showed his Trailing for the first six furlongs moved up like a shot and won in a canter amid deafening applause.

Colonel Jack ran a sensational race. easily in fast time and is now the choice of horsemen here for the Derby.

John Powers today bought Judge Nelson from the Kirkfield Stable. Terms private.

R. F. Carman leaves tomorrow night for Oakland with six horses and will race there for one week He goes especially to start W. H. Carey in the Family Club Handicap, to be run next Saturday.

T. H. Stevens ran down from Oakland to see his horse Ramus run in the Ascot Handicap.

#### SALE OF THE MEADOWTHORPE STUD.

Lexington, Ky., February 9 .- To settle up the e tate of the late Colonel James E. Pepper the owthorpe Farm and 53 head of thoroughbred horse were sold by auction today. Cursus, showing improved form, was a forward contender from the start, dropped back seemingly beaten on the stretch turn, but came again and won drawing away. Aggie Lewis began slowly, but gradually improved her position and, finishing with a good burst of speed, got up in the closing stride for second place. J. P. Mayberry was badly handled and tired from being excessively used in the early stages. Helgerson ran fairly well and will do to remember on a soft track. Dixie Andrews showed early speed. King's Gem broke down after going three-quarters. The winner was entered for \$300; no bid.

Scratched—(66898)Grosgrain, 111.

Winner—B. c, by Eddie Jones—Motto (trained by G. M. Van Gorden).

Went to post at 2:34. At post 3 minutes. Start good. Won easily: second driving; third the same. Sir Edward, from a striding start, was reserved in close pursuit of the pacemakers and wore them down decisively in the stretch. Fireball, suddenly improved, closed up steadily and finished on the inside bad going with a cyclonic end rush. St. Francis quickly established a long lead and set a terrific pace to midway of the stretch, where he tired finally after a cracking race. Hector set the early pace, but dropped back when challenged. Cloudlight was shuffled to the rear early and never dangerous. Head Dance, away badly, was gaining at the end.

Winner—Ch. c, by Voter—Dorset Flower (trained by D. McNanghton).

Went to post at 3:53, At post 4 minutes. Start good. Won driving; second and third the same.

Vox Populi was skillfully reserved within striking distance of the pacemaker, then moved up simultaneously with Jocund and wore him down in a terrific struggle. Jocund was restrained in nearest pursuit of Hedgethorn and took the lead when straightened for home and seemed all over the winner, but succambed in the last stride of a grand effort. Hedgethorn, with a big early lead, set a stiff pace to the stretch, where he tired in a game effort. Supreme Court was well up under a pull for six furlengs, but quit in the last quarter and disliked his big weight. Clamor, after trailing far in the rear, closed an immense gap in the last half.

## WONDERFUL WINNING SYSTEM!

The NOXALL SYSTEM (copyrighted) is the greatest money maker ever devised. It goes on WINNING steadily week after week, year after year. It is as GOOD on a Winter track as during the regular season. Are you a LOSER? If so, it will certainly pay you to look into one of the greatest systems the turf has ever known. It has SOLVED the problem of "How to beat the races." The NOXALL SYSTEM is not a scheme. A standard publication in book form. It is the NOXI GUARANTEED SYSTEM sold. The NOXALL SYSTEM, like any article of REAL merit, advertises itself. Now in its fifth year of publication, and as BIG a SUCCESS as ever.

#### TRACK, POOLROOM OR HANDBOOK.

It can be played on any track where there is racing. Played at the TRACK, POOLROOM or HANDBOOK with equal results. Select your plays from the entries and settle next day on newspaper

This system has received nothing but favorable

This system has received nothing but favorable comments from those who have purchased it. I am continually receiving unsolicited testimonials expressing great satisfaction at the results. It is a positive WINNER. The system does not play every race, but only ONE or TWO plays a day on the average. No tips, handicapping or "dopling" required. No other expense attached to the system when once you have purchased the book. Not complicated, but easy to operate. BIG RESULTS obtained from SMALL CAPITAL. UNLIKE any other system; new theory; new thoughts; new ideas, making the NOXALL SYSTEM the GREATEST SYSTEM ever devised. This system will do more for you than all the selections, information, handicapping and tips combined. A positive fact.

#### SEND FOR FREE BOOKLET.

Then you will know all about the particulars and what it will do for a player who follows it. This is the only system sold with a guarantee to refund your purchase money at the end of 30 days' trial if a loss can be shown. This alone precludes the NOXALL SYSTEM from being a scheme, and should convince you of our confidence in it. Investigate this wonderful system at once by writing for particulars.

NOXALL SYSTEM, GRAVESEND, N. Y.

#### THE MILLER SYSTEM

The most wonderful system ever devised. If a loss can be shown after thirty days' trial, your money will be refunded. Just think of a system that you can play without fear of losing your capital. You will be surprised with the ease and confort that the Miller System can be operated. No worry, wondering if your capital will withstand a bad run. The Miller System meets every contingency with ease. You are safeguarded in every possible way. The Miller System is different from any system ever put on the market—played in connection with my new handicapping method, which is alone worth price of system. Failure is impossible. You make on an average of three plays daily. By doing your own handicapping, you know that it is being done right, and it takes but a few minutes of your time daily and is reliable and correct.

The Miller System can be played at track, poolroom or handbook. The largest outstanding amount played for past sixty days was \$50. Send Post-office or Express Money Order for \$10 at once and start making money, as I am doing daily. For further particulars address, comfort that the Miller System can be operated.
